

TTUE602D1 (DISCONTINUED)

Concealed Urinal Sensor Flush Valve

- Simple and elegant appearance with two kinds of panels available
- Touchless sensing operation

Specifications 5

115W x 115H mm Water Pressure: 0.05MPa~0.75MPa Flush Volume: 1.2L - 1.9L

Power Source: DC (Battery Operated)

arts description

TTUE602D1 Concealed Urinal Sensor Flush Valve (DC Battery Operated)
